His Poems Were His Preferred Mode of Expressing His Inner Experience but He Was an Artist in Other Ways He Composed Logical Dramas and Hymns and Dance To Express His Exultation in the Spirit unlike Many People Writing Theology Today He Was Not a Professional Writer and He Wasn't Writing for Publication He Was Writing for the Spiritual Go to the People around Him and He Was Writing To Express His Own Experience I Love that about this Figure to some of the Most Authentic Beautiful People in Our Tradition Are Not People Who Are Trying To Write for an Academic Press so We Should Remember that as We Go Forward and Try To Live

This Is To Be Balanced by this Devil Spirit Detachment from the World To Be Balanced by the Exercise of Virtue and Individual or Social Activity the Love of Solitude To Be Balanced by the Exercise of Virtue in Individual or Social Activity the Exercise of Living in the Presence of God To Be Balanced by the Exercise of Virtue in Individual or Social Activity the Institution of the First Monks Was the Name of a Rule this Was an Important Influence on a John of the Cross Religious Orders Live According to a Rule of Life That Preserves Harmony within the Community the Institution of the First Monks Was What Influenced the Discalced Carmelites Helius the Prophet Figured Prominently in this Rule of Life

Yet He Had a Tremendous Influence on All the Theology of the Middle Ages He Brought To Bear on the Theology of the Middle Ages a Brand of Neoplatonism That Was Different from the Brand That Augustine Brought In but this this Lecture Is Not the Place To Clarify What that Difference Was the Main Influence That He Had On on John of the Cross Was this Idea that as We Ascend toward God as We Ascend toward God and Bring Our Awareness toward God We Do Develop an Awareness and a Change within Ourselves but Always a Growing Sense of the Mystery of God Being Something We CanNot Reach with the Mind It Is beyond the Intellect

When You Lived and He Had Written Nineteen Holly's on Ecclesiastes That's the Source for the Well-Known Simile of the Fire in the Log Used as an Image of Predation by So Many Mystical Writers in Other

Words the Log Is Burning and It Becomes So So Infused with the Flame That You Can't Tell It Apart from the Fire and this Becomes the Union an Image of the Union of the Soul with God that the the Soul Soul Completely Turned toward God Is Infused with the Presence of God like the Log Is with the Fire You Can Only Know It from the Inside Out Not in any Enlightenment Mode of Outside in and Making Sure before You Take the Plunge You Can't Make Sure before You Take the Plunge You Have To Take the Plunge and that's the Only Way You Can Find Out so We Walk by Faith and Not by Sight Trinity Scripture Tells Us of One God Whom We Perceive as Tri Dynamic in His Operation and Effects upon Us Father Son Spirit One Name One God So at the End of One of the Gospels I Think It's Matthew the Formula Is Go Baptized in the Name Singular of the Father Son and Holy Spirit in Our Unified Experience the Divine Presence

We Empower Ourselves by that Choice To Continue To Choose the Good When We Choose Negatively We Blind Ourselves so that Sometimes We Don't Even See the Possibility of the Good Choice so a Bad Choice Blinds Us but Why Did God Give Us Freedom of Choice and How Does that Become a Mode for Our Knowing Us because unless We Were Able To Have Freedom of Choice We Could Never Understand the Concept of a God Who Could Freely Create or Not Okay Now When You Make Freedom of Choice because this Has a Has a Has a Has a Relationship to the Other Kind of Freedom Which I Call Freedom of Operation When We Use Our Freedom of Choice To Always Choose the Good

When We Use Our Freedom of Choice To Always Choose the Good We Become Able To Operate More and More Freely Freely Meaning According to the Ultimate Potential of Our Nature for the Good without Impediment So When We Get Rid of the Grudge's We Have against People When We Get Rid of Our Selfishness They Don't Stand so that those Things Don't Stand in the Way of Our Thought Process or Our Process of Action We Operate Freely God Unfailingly Acts Freely in Accordance with the Goodness of His Nature We Act More and More Freely in Accordance with Our Potential for Goodness When We Make Choices That Are Directed toward Directed toward God

And So It's the Condition for Redirecting Ourselves from Ourselves as Center to God as Center with God as Central We Can See in Detachment from Our Own Interest What Is Objectively Good in any Given Situation by His Measure and Not Our Own It's the Best It's the Best Chance We Ever Have of Being Objective We Don't Become Objective in Enlightenment Mode I've Learning in My Scientific Instruments and I'M Going To Study Xi Still Come with All My Prejudices

So the Only Way We Can Truly Be the Greatest Objectivity We Ever Get Is by Detaching Ourselves from Our Own Selfishness in Our Own Self-Interest When We Approach Different Situations and Different People in Life Resurrection of the Body Okay the Power beyond Created Existence That Informs Existence CanNot Die though It Can Withdraw that Is We Can Move Away from It in Our Awareness Will in Action Becoming Shriveled Versions of Ourselves Compared to What We Could Be There Are Many Different Versions of each One of Us Our Radical Orientation to the Power with all of Our Cognitive Capacities All the Power of Our Wills Our Intentions and Our Actions Allows Us To See Ourselves

The Power beyond Created Existence That Informs Existence CanNot Die though It Can Withdraw that Is We Can Move Away from It in Our Awareness Will in Action Becoming Shriveled Versions of Ourselves Compared to What We Could Be There Are Many Different Versions of each One of Us Our Radical Orientation to the Power with all of Our Cognitive Capacities All the Power of Our Wills Our Intentions and Our Actions Allows Us To See Ourselves Including Our Bodies and all Creation Transfigured in Its Light so There's a Kind of Gestalt Shift That Occurs in Our Mental Perception of the Nature of Reality When We Achieve this New Awareness Radical Orion-What Can Never Die Not Only Entails the Quality of Eternal Life That

And Yet We Find that Our Realities that the Deepest Levels of Matter Are Very Elusive and that Our Perception of What They Really Are Is Dependent upon an Observer That Appears To Be outside the Set of Phenomena Being Examined Okay So Deeply Makes Um some People Question in the Scientific Community That the Justification for Scientific Materialism but We Have a Very Materialistic Culture that Way and To Get People To Look for Something They CanNot See Is It's Very Difficult It's a Very Difficult Thing and So We Capitulate in Our Laws and to a Number of Other Things some People Saying No I'M Our Foundation for the Ideas of Good in Our Law

No Real Groundedness for People's Notions of the Good and the More You Get Away from Our Spiritual Traditions and the Sense that There Is Something Transcendent toward Which We Are Directed the More Arbitrary It Will Become Now to a Person Who Is in that Place You Could You Couldn't Say that to a Person and and Have that Person Understand What It Is You Were Trying To Express Okay Well Why Can't It Be Just the Way We Want Well Really You Want To Be Just the Way You Want Which Means that Good and Bad Can Be Defined
