Level of Unemployment

Massive Investment in Skills

Employment Growth

Uk Labor Market

Universal Credit

So this Part Is Very Expensive and It Requires that You Build Up Institutions That You Have Institutional Learning Institutional Innovation and It's Not Just Something That's GonNa Spring out of Ground Especially When You're in a Very Very Difficult Situation in Your Labour Market and You're on the Financial Constraint Okay because You Need To Go In Invest Heavily You Need To Admit that You're Going To Fail on some Points and You Need To Do the Innovation and the Institutional Learning That Takes It and To Do this in a Space Where You Don't Have Money

So People Do Enter into the Labor Market with Very Very Inequitable Distribution of Human Human Capital and I Think that Is Really a Big Difference with with Scandinavia Where You Have Also Very High Employment Rates Even Higher than than in the Uk but People Are Endowed with Much More Equitable Human Capital because the Education System Which I Think in Scandinavia Is a Fundamental Part of the Social Models for Most of Us What We Understand by Social Models Is Labor Market Institutions I Think the Great Difference with Scandinavia Is that They Understand that Education Is Fundamentally a Part of the of the Social Model Not Just the Labor Market Institutions
